
1. Question and series
Where did the level shift occur?
Time
2. Numerical tools
Change point
Time
Trend
Time
3. Evidence review
Intent: locate change
Required evidence
supported interval
Observed interval
Trend agreement
4. Grounded answer
Change in the highlighted interval
Time
Additional operation
Provenance of the answer
Series and window
Operation and arguments
Operation
Detect
Arguments
Series, window
Numerical output
Change interval
